After installation, two or more people should lift and position the product in the desired location to avoid dragging, which could lead to injury and compromise the product's stability.

Important Safety Instructions

Please carefully read and keep these instructions for future reference. If this product is passed to a third party, make sure to include these instructions.

When using the product, always follow basic safety precautions to minimize the risk of injury. **Take note of the following:**

⚠ CAUTION Risk of injury!

- ▶ The product can tip over. Do not let children climb on or play with the product.
- ▶ This product is intended for domestic use only.
- ▶ Two competent adults should assemble this product.
- ▶ Keep children and pets away while assembling the product.
- ▶ Do not allow children to climb on or play with the product.
- ▶ Always use the product on a firm, level floor.
- ▶ Regularly check that all components and fasteners (hardware) are securely in place.
- ▶ Do not use this product if any parts are missing, damaged, or worn.
- ▶ To prevent scratches on the floor and product surface, assemble it on a soft surface like a carpet.
- ▶ Avoid overtightening the fasteners (hardware).
- ▶ Regularly inspect the product for signs of wear and tear. Replace it at the first indication of damage or if parts become detached.
- ▶ Do not sit or stand on the product.
- ▶ Do not place hot or cold items directly on the product. Use a suitable table mat or coasters. Heat can cause chemical changes that may result in spots on the furniture finish.
- ▶ Do not push or drag the product. It requires two people to carry it when moving.

Before First Use

⚠ DANGER Risk of suffocation!

- ▶ Keep any packaging materials away from children and pets — these materials are a potential source of danger, e.g. suffocation.
- ▶ Check the product for transport damages.
- ▶ Remove all the packing materials.
- ▶ Verify that all components and fasteners (hardware) are present and complete.
